Summary

Hi there viewer. My name is Nyando Onongwene. I'm a computer engineering student at the Faculty of Engineering and Technology, University of Buea.

Thanks for visiting my profile.

I'm also a ui/ux designer. And an aspiring Frontend developer. I'm working on gaining more skills.

And also getting internships on this journey. Especially tech inclined to help me in my field and I wish to achieve academic excellence and also be very successful at my job site.

Thank you
